NARRATIVE:

Andre Cummings has an extensive adult criminal history that began at the age of 18. His convictions include assault with great bodily injury, attempted robbery, violation of parole, burglary, transport/sell narcotic controlled substances, robbery, possession of narcotic controlled substances, petty theft with prior convictions and theft of personal property. He has served multiple incarcerations, the longest being an 11 year term for robbery. Cummings was released from state prison to the supervision of the Los Angeles County Probation Department on March 28, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2015 after he absconded from post release community supervision (PRCS). Cummings qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for petty theft with prior convictions is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
